

# Txt me my darling

My phone subscription will renew  
But I can't contain my Love 4U  
My facia's the height of fashion  
My keypad rattles with great passion

I need a bit of SMS  
If only to relieve the stress  
I'll type a ;>) with sexy lashes  
Hot Love tonight - In dots and dashes

Text me tonight - Oh, Text me harder!  
Or I'll get bored and raid the larder  
Text me my darling - O please B mine  
O Text me where the sun don't shine!

It's more exciting at peak rates  
Please Please B quick - my phone awaits!  
Text me my precious - with skill and grace  
(I'll OGSM in uppercase)
